

Platinum Health provides financial relief to members

because we care

PLATINUM
HEALTH

Platinum Health (PH) understands the economic hardships members have been going through this past year as result of the COVID-19 pandemic.

Members are reminded that PH is providing **R17.5 million** relief to members through its contributions increase holiday for January and February 2022, for all three scheme options.

This means members are still paying 2021 contributions in January and February 2022.

Members will only start to pay 2022 contributions increase from **1 March 2022.**

*Platinum Health
Committed to provide
affordable healthcare to members!*
