

COVID-19 VACCINATION ROLLOUT KICKS OFF AT ROYAL BAFOKENG PLATINUM

Platinum Health (PH) is happy to report that a COVID-19 Vaccination Site has been established to provide employees and contractors of Royal Bafokeng Platinum an opportunity to get vaccinated.

The Vaccination Site is conveniently situated at Maseve Mine Clinic, providing easy access for employees and permanent contractors, as a start, to receive their vaccinations over the coming weeks.

LEADING BY EXAMPLE

The vaccination rollout started on Friday, 16 July 2021, and RBPlat management and representatives of trade union arrived from early on at Maseve Clinic, eager to get their first jabs!
