

IS YOUR CHILD DEPENDANT STUDYING AWAY FROM HOME?

PLATINUM
HEALTH

If your child dependant is studying away from home, you need to notify Platinum Health (PH) of your child's new residential address.

For example, if you stay in Burgersfort and your child studies and stays in Johannesburg, you need to notify Platinum Health of your child's new residential address. This is to ensure that your child enjoys all the medical scheme benefits he/she deserves, in the area he/she stays.
